DECLARATION

06/1  
[We, I] Gary A. Zess and Joel Wagner citizens of the United States residing at New Britain and Wethersfield, Connecticut declare:

That [we, I] made and conceived the invention described and claimed in patent application Serial Number 10/065,484, filed in the United States of America on October 23, 2002 titled Flow Directing Device.

That [we, I] made and conceived this invention while employed by United Technologies Corporation. That the invention is related to the work [we are, I am] employed to perform and was made within the scope of [our my] employment duties.

That the invention was made during working hours and with the use of facilities, equipment, materials, funds, information and services of United Technologies Corporation.

That to the best of [our, my] knowledge and belief:

The invention was not made (conceived or first actually reduced to practice) under nor is there any relationship of the invention to the performance of any work under any contract of the National Aeronautics and Space Administration.

Declaration: Flow Directing Device
